About Tiffany

Tiffany Ehmke is a public finance paralegal in the Houston office of the firm with 13 years' experience in public finance. She received her Bachelor of Arts and Master of Science degrees from the University of North Texas.

Tiffany's experience includes working with special-purpose districts, such as municipal utility districts, water control and improvement districts, management districts, utility districts, road utility districts, public improvement districts, water supply corporations and tax-increment reinvestment zones. She assists clients before various governmental entities, including the Texas Commission on Environmental Quality, cities, counties and various regional service providers.

In addition to Tiffany's assistance with the representation of special purpose financing districts, she assists clients with real estate transactions, including development, leasing and acquisitions.
