

Finance

We are a full spectrum global finance firm that advises on billions of dollars in financings each year. We represent some of the world's leading banks — including 15 on the Global Finance 20 — on a diverse range of sophisticated financings. We also help state and local governments throughout the United States raise revenue for diverse economic development projects.

Year over year, Bracewell ranks among the top firms in the financial league tables published by IJ Global, Refinitiv and S&P Global. Our finance practices in the United States and United Kingdom are also consistently ranked in the top bands in *Chambers*, *IFLR1000* and *Legal 500*. Bracewell is the only firm that has been ranked Band 1 in Texas Banking and Finance in *Chambers USA* for 17 years in a row.

Our industry focus gives us a deep understanding of global financial and energy markets, which allows us to help clients identify investment opportunities and develop creative financing structures that support their business objectives. We represent a broad cross section of banks, financial institutions and investment funds in highly sophisticated and complex transactions, including **Citibank**, **Crédit Agricole**, **Deutsche Bank**, **JP Morgan Chase**, **Macquarie**, **MUFG**, **Société Générale** and **Wells Fargo**.
