

Our dirt-to-development real estate team is highly regarded for its extensive experience on real estate projects and developments throughout the United States. Our lawyers are consistently recognized among the nation's best in *Chambers USA* and *U.S. News–Best Lawyers*.

We represent real estate developers such as **Crescent Real Estate** and **Lincoln Property Company Commercial** on real estate developments; Fortune 500 companies such as **Apache**, **Kinder Morgan** and **Phillips 66** on corporate headquarter projects; and US cities on real estate development projects, such as **Museum of Fine Arts Houston** and **Globe Life Field**.

Our approach on real estate matters is simple: help clients achieve their transactional goals while providing quality legal advice. On every engagement, we strive to provide the level of excellence that clients have come to expect from a full-service law firm.
