**WASHINGTON, DC –** Bracewell's **Policy Resolution Group** (PRG) was listed among the top-performing lobbying firms in *Bloomberg Government's 2022 Top-Performing Lobbying Firms* report. This marks PRG's sixth time in the eight-year history of the report to make the stand-out list.

*Bloomberg Government* identified PRG among an elite group of high-performing firms that retained 80 percent or more of its clients from 2021, and 60 percent or more of their clients over the previous three years. Firms listed as high performing also posted figures showing revenue-per-lobbyist of \$550,000 or more. PRG was one of only three firms that has hit all these metrics on a sustained basis.

*Bloomberg Government's* report focused on the 363 firms that reported \$1 million or more in lobbying revenue in 2022, highlighting those firms that had a standout year based on a series of important performance metrics: revenue growth, growth in average revenue per client, short- and long-term customer retention rates and revenue per registered lobbyist.
