

# Bracewell Represents Sol Systems in Acquisition of 2 GW of Clean Energy Projects

News Release

September 10, 2024 | 1 minute read

**WASHINGTON, DC – Bracewell LLP** represents Sol Systems LLC in its acquisition from Tenaska of 2 GW of utility-scale hybrid solar and storage projects.

The portfolio spans multiple states within the Midwest and continues Sol's strategic collaboration with Tenaska. The projects each exceed 100 MW and are slated for operations between 2028 and 2029.

This acquisition is part of Sol's strategic growth plan to scale its renewable energy infrastructure business while maintaining a strong focus on community and ecosystem impact. The company's Infrastructure + Impact strategy emphasizes delivering clean energy solutions that benefit local communities and advance environmental goals.
