

Bracewell's Dee Martin Honored Among Top 10 Innovative Legal Practitioners in 2023 FT Innovative Lawyers North America Report

Awards & Rankings

December 06, 2023 | 1 minute read | Washington, DC

HOUSTON – The *Financial Times* honored partner **E. Dee Martin** among its [top 10 legal practitioners](#) in the [2023 FT Innovative Lawyers North America Report](#), which spotlights law firms and in-house legal teams for their leadership in digital innovation, strategic advice, talent management and driving positive change in the profession.

Martin, co-chair of Bracewell LLP's Policy Resolution Group, was honored for her bipartisan work representing Air Liquide, helping shape the policies incentivizing hydrogen production and helping ensure the client's success in the US Department of Energy Hydrogen Hub program. In addition, *FT* honored Martin for her work defending women's rights as a Feminist Majority Foundation board member.

The FT Innovative Lawyers North America Report is annually published by the *Financial Times* and its research partner RSG Consulting.
