

# ESG Trends Webinar with The Texas Lawbook

Event

January 07, 2022 | 1 minute read

---

On January, 20, 2022, Travis Counts, Will Marsh and Charles Still discussed “ESG Public Disclosure, Litigation and Fiduciary Obligation Trends to Start 2022” as a webinar hosted by The Texas Lawbook.

The conversation focused on issues around current ESG expectations by various stakeholders, the evolving landscape for potential liability for public statements and actions/inaction and proper board involvement in ESG oversight.
