

# Navigating Environmental Disclosure and Financial Challenges of the Energy Transition: A Deep Dive into Methane Tax and SEC Requirements

Event

January 29, 2024 | 1 minute read

---

Troy Harder will participate in a panel discussion on “Navigating Environmental Disclosure and Financial Challenges of the Energy Transition: A Deep Dive into Methane Tax and SEC Requirements” at the Association of International Energy Negotiators Seminar at NAPE 2024. The panel will bring together experts in energy banking, competitive strategy, emissions monitoring and disclosure, and legal, as they share insights, strategies, and potential solutions related to challenges in energy transition. This panel will delve into anticipated SEC disclosure requirements and the new methane tax. It will provide valuable insights for industry stakeholders.
