Eduardo (Ed) Sanchez, Jr. is a paralegal in the firm's healthcare practice group, supporting attorneys in litigating healthcare disputes involving managed care, billing and reimbursement, *qui tam* and false claims, healthcare fraud and malpractice. He also assists with complex commercial matters, including contract, tort, employment and business disputes.

Ed plays a key role in trial preparation, managing exhibits, prepping witnesses and providing hot seat support during trials. He coordinates discovery processes, assists in drafting legal documents, and ensures the seamless execution of daily case management tasks to ensure smooth and efficient operations.
