HOUSTON

+1.713.221.1456

Troy Harder advises clients in all aspects of corporate and securities law, with an emphasis on corporate finance transactions. He has experience representing both issuers and investment banks in a wide range of capital markets transactions, including initial public offerings, public and private offerings of debt and equity securities, tender offers, consent solicitations and exchange offers. He also counsels clients in connection with SEC reporting and corporate governance and compliance matters, including insider reporting and compliance with the rules of the New York Stock Exchange and NASDAQ. He has significant experience advising boards and conflicts committees in corporate governance matters and related party transactions.

Troy has represented companies involved in all aspects of the energy industry, including exploration and production companies, midstream companies, pipeline joint ventures, oilfield services companies and public utilities. He has also advised companies in a variety of other industries, such as private equity firms, bank holding companies and manufacturing companies.

Experience

Apache Corporation

- \$3.6 billion exchange and tender offer
- \$850 million private offering of senior notes
- \$235 million public offering of common stock
- three separate public notes offerings totaling \$3.25 billion and concurrent tender offers for debt securities
