About Ryan

Ryan Holcomb, chair of the firm's power practice, represents clients in a wide variety of transactions in the electric [power](#) and [oil and gas](#) industries. He negotiates and documents acquisitions and divestitures of assets and companies, joint venture, financial and commodity hedge transactions for [private equity investors](#), [energy companies](#), utilities, [financial institutions](#), and commodity trading businesses.

Ryan has been nationally ranked by Chambers & Partners' *Chambers USA* in Energy: Electricity – Transactional (2015-2023) and Projects (2010-2013). According to *Chambers USA*, Ryan “has a wealth of experience in energy and power” (2015) and “is an outstanding lead deal counsel” (2016). Clients added “he is extremely commercial, very easy to work with and has good ideas and is solution oriented” (2015), and he “knows how to run a transaction very well” (2018).

Recent Notable Matters

Arroyo Energy Investment Partners LLC – sale of two US electric power generation investments, Brandywine and Broad River. The sale includes more than 1,100 MW of power generation.

Sol Systems – minority investment from KKR to scale Sol Systems' Impact + Infrastructure approach and the formation of a strategic partnership with a commitment from KKR of up to \$1 billion to acquire shovel-ready solar development projects
