### **About Darren**

Darren Spalding is a corporate lawyer dedicated to the energy sector. He advises clients on energy M&A transactions and projects across the upstream, midstream and downstream value chain, with a particular focus on cross-border matters, having worked on deals and projects in more than 30 jurisdictions. Darren is regularly called upon to advise on, and negotiate, key industry project documents, including production sharing contracts, joint operating agreements, and sales and transportation agreements, and has also assisted clients in relation to range of royalty and streaming transactions. He has a wealth of experience in the structuring and development of energy projects, including in relation to shareholder arrangements.

Darren has been recognized as a leading M&A lawyer by *IFLR1000 Financial & Corporate and M&A Guide* (2017-2022). He is ranked in *Chambers UK* (2019-2022) and is also highly regarded by *The Legal 500 United Kingdom* (2014-2021) for his work in the oil and gas sector, with clients noting that he is "a very good upstream lawyer," who is "extremely conscientious," provides "a full suite of support," has "deep contractual expertise" and "a fantastic understanding of extremely complicated issues."
