About Bob

Bob Pease represents and advises energy and commodity clients in enforcement and regulatory matters before the Federal Energy Regulatory Commission (FERC) and Commodity Futures Trading Commission (CFTC). His experience includes power markets, natural gas trading, natural gas pipelines, exchange trading and FERC audits. He has conducted compliance training on manipulation, disruptive trading practices, high-frequency and algorithmic trading, and energy trading and marketing.

Bob has more than 25 years of senior-level experience at FERC and the CFTC, handling energy-related policy, compliance and enforcement matters. He spent more than 20 years at FERC, completing his time there as director of investigations. Bob was involved in some of the most significant investigations and enforcement cases at FERC since the enactment of the Energy Policy Act of 2005. After leaving FERC, Bob served as counsel to the director in the Division of

Enforcement with the CFTC. His experience at the CFTC and FERC enables him to bring a unique perspective to compliance and enforcement and Dodd-Frank matters.
