The Lobby Shop: One Last Tax Talk with Curt Beaulieu

August 31, 2017

By: [Joshua C. Zive](#)

Frequent Lobby Shop guest and tax expert extraordinaire Curt Beaulieu is leaving the PRG family this week, so as a token of our appreciation for his work here and to say farewell to a great friend, Josh Zive gets a few last takes on what's coming down the pike for Congress on tax reform, learns more about the Gang of Six and the reconciliation process, and - of course - discusses Curt's predictions for the next season of Game of Thrones.
