About Mona

Mona Cannon focuses her practice on economic development and public law matters. She represents and advises special districts and governmental entities as general counsel. She also serves as bond counsel, borrower's counsel and disclosure counsel to cities, counties, special districts, state agencies and nonprofit organizations. Mona has a broad range of experience in transactions involving economic development and real estate matters, in which she manages the acquisition, financing, development, construction, leasing, divestment and operation of commercial real estate for clients in the public and private sector.
