What It Takes to Violate Campaign Finance Law

August 24, 2018

By: [Joshua C. Zive](#), [Liam P. Donovan](#) and [Paul Nathanson](#)

A lot has happened this week in Washington and New York regarding the ins and outs of campaign finance law and international lobbying disclosure. Lucky for you, our co-hosts have a depth of experience with these processes and are here to provide some context into how these rules work, what it actually takes to violate them, and what this week's news means going forward.
