EPA's ACE Rule with Global Energy Institute CEO Karen Harbert

September 10, 2018

By: [Joshua C. Zive](#), [Scott H. Segal](#) and [Jeffrey R. Holmstead](#)

In a special edition episode of The Lobby Shop, PRG Co-Head Scott Segal takes the reigns with an interview of President and CEO of the U.S. Chamber of Commerce's Global Energy Institute, Karen Harbert, and our Bracewell colleague and former Assistant Administrator of the EPA for Air and Radiation, Jeff Holmstead. The trio discuss the EPA's proposed Affordable Clean Energy (ACE) Rule, how it compares to the Clean Power Plan, and more.
