About Benjamin

Ben advises lenders and sponsors on the development and financing of cross-border projects across a wide range of sectors. He has significant experience advising on multi-sourced project financings involving export credit agencies, multilaterals and development finance institutions. Ben has acted on numerous oil and gas, power and infrastructure projects in Africa, Europe, the Middle East and the Americas.

Recent Notable Matters

Fotowatio Renewable Ventures — limited recourse project financing of the 34 MW Contego and 99 MW Clay Tye battery energy storage projects in the United Kingdom
