Navigating Waters Protection Rule

February 11, 2020

By: [Sara M. Burgin](#), [Ann D. Navaro](#) and [Daniel J. Pope](#)

Long-watched by businesses affected by the jurisdictional scope of the Clean Water Act, the Administration's rulemaking for Waters of the United States has been announced and will soon be final. Please join Sara Burgin, Ann Navaro, and Daniel Pope as they discuss how the Protecting Navigable Waters Rule's approach to jurisdiction will have a meaningful impact on the regulated community. As this new rule is likely to be challenged, Sara, Ann, and Daniel will also discuss what some of the likely arguments will be.
