On 30 April 2019, the UAE Cabinet, in response to the European Union’s review of the UAE’s tax framework and the UAE’s commitment to the Organisation for Economic Cooperation and Development (OECD), anti-Base and Profit Sharing (BEPS) Action Plan, issued the Cabinet of Ministers Resolution No. 31 of 2019 concerning Economic Substance Regulations in the UAE (the “Regulations”). This webinar, which was co-presented by BDO and Bracewell on 17 June 2020 discusses this topic and provides insight into the Economic Substance Regulations and corporate governance issues in the UAE.
