How to Make Informed Performance Bond and International Arbitration Decisions in Dubai and Saudi

May 25, 2022

By: [Martin Gusy](#), [Robert Meade](#), [Ibrahim Siddiki](#), and [Tom Swarbrick](#)

This webinar examines transactional considerations and the procedure for enforcement of performance bonds before looking into how calling a bond can be used strategically in a wider disputes context. The panelists analyze the impacts of Decree No. 34 of 2021 and offer their perspective on its consequences for international arbitration in Dubai. The discussion also looks at Saudi Arabia's promotion of international arbitration and regulatory changes benefiting international arbitration users in the region.
