

Filecoin Foundation's Marta Belcher: Busting the Web Monopoly, Fighting Big Bank Surveillance and Building a Decentralized Web

Podcast | Madam Policy

June 14, 2022 | 1 minute read

The Airbnb of file storage. That's how Marta Belcher—who is the President and Chair of the Filecoin Foundation, the General Counsel at Protocol Labs, and Special Counsel at Electronic Frontier Foundation— describes Filecoin. As a leading voice in civil liberties and blockchain law, Marta is consistently working to find new and innovative ways to bring the blockchain and the next generation of the internet to the forefront of the policy agenda. What's next in the policy arena for Filecoin? Marta shares Filecoin's top policy priorities and how she is working to achieve them. Tune in as Marta joins hosts [Dee Martin](#) and Anne Termine to explain the overlap of law and regulation with the evolution of the blockchain, cryptocurrency, and the decentralized web, along with her vision for preserving humanity's most important information in a decentralized world. Don't miss out on this new episode of the Madam Policy Podcast with Marta Belcher, a trailblazer in the blockchain legal space.
