

Midweek Minisode 1: MIT's Jeremy Gregory on Hurricanes & Hazard-Resistant Buildings

Podcast | The Lobby Shop

May 15, 2018 | 1 minute read

[The Lobby Shop Podcast](#) · [Midweek Minisode 1: MIT's Jeremy Gregory on Hurricanes & Hazard-Resistant Buildings](#)

It's our first Midweek Special Minisode! In this week's minisode, [Frank Maisano](#) takes the lead to talk with Jeremy Gregory, executive director of MIT's Concrete Sustainability Hub and research scientist from MIT's Department of Civil and Environmental Engineering. At the threshold of hurricane season, MIT's CSHub is conducting cutting-edge research on ways to innovate more durable, sustainable construction that helps communities withstand natural disasters.
