October 03, 2023 | 1 minute read

Josh Zive and Caitlin Sickles sit down with Lobby Shop co-host, Republican strategist and political insider Liam Donovan to talk about how Congress narrowly avoided a shutdown disaster ... for now. Liam previews what will happen next as Speaker McCarthy faces challenges to his leadership from his own party. And the group considers how the whole cycle is set to repeat when government funding is slated to run out again ... in just 45 days.
